

PROFESSIONAL NURSING COACH

CHILD HEALTH NURSING I

PNC ULTRA-LMR HYBRID MASTER COMPENDIUM • NUR-15 • VERIFIED

Preventive + growth + newborn + IMNCI + respiratory + emergencies • Batches 1–5 • 61 LMR pages + cover & TOC • NORCET /
RRB / ESIC / DSSSB

Batch	Units	Pp
B1	I-A: care, policy, UIP, cold chain, hospital, procedures, math	12
B2	I-B + II-A: restraints, pain, growth, theories, nutrition, BF	10
B3	II-B + III-A: feeds, play, appraisal, ENBC, NRP, LBW, KMC	13
B4	III-B + IV-A: jaundice, sepsis, IMNCI, cough, diarrhea, TEF	13
B5	V-B + VI: pneumonia, asthma, JDM, genetics, accidents, CPR	13

WhatsApp DM: +91 90571 22020 • Hybrid: navy hero + chips + teal bars + Trap/Hit + Pearl + Speed-check • v1.0 Sep-2026

Pp	Block	Focus
4-15	I-A (B1)	Care, policy, UIP, cold chain, hospital, impact, communication, procedures, math
16-25	I-B+II-A (B2)	Restraints, pain, growth, milestones, Freud/Erikson/Piaget, nutrition, BF
26-38	II-B+III-A (B3)	Feeds, play, appraisal, ENBC, NRP, LBW, KMC, jaundice, thermal, sepsis, NICU
39-51	III-B+IV-A (B4)	Seizures, IMNCI, danger, cough, diarrhea, fever, ear, nutrition, TEF, croup
52-64	V-B+VI (B5)	Pneumonia, asthma, JDM, genetics, accidents, poison, FB, shock, burns, CPR

How to use: hero first, chips glance, table study, trap vs hit, pearl anchor, speed-check close. Double-QA pending sign-off on UIP/IMNCI/PLS/drug doses per current guidance.

Q	Standard	Status
Q1	Units I-VI mapped, batches 1-5	Done
Q2	IMNCI algorithms match current chart	Needs sign-off
Q3	UIP/cold-chain/AEFI per current schedule	Needs sign-off
Q4	PLS/CPR/Broselow doses current	Needs sign-off
Q5	One concept/page, fonts 10.5-21pt, 30% air	Done

Child = growing + dependent + dosing-by-weight! Modern care = preventive + family-centered + rights-based. Culture shapes feeding, cord, colostrum, evil-eye — respect + negotiate, never mock!

Weight-based everything	Family + rights centered	Respect + negotiate!
----------------------------	-----------------------------	-------------------------

★ ERA — SHIFT

Era	Shift
Past	Adult-mini + fatalism + home remedies only
Modern	Preventive + growth + vaccines + ORS + BF
Culture	Cord/colostrum/bathing beliefs + healers
Nurse	Bridge beliefs + science + family

⚠ FATAL TRAP

Mocking colostrum-discarding or cord beliefs + 'uneducated' labels shuts doors! Ask + praise + suggest + negotiate (harmful vs harmless vs helpful sorting).

★ NORCET HIT

HIT: Harmful (prelacteals, cord dung, branding) stop; harmless (prayer, oil where safe) allow; helpful (EBF, vaccines) praise!

★ PNC PEARL: Sort beliefs: stop, allow, praise.

► Prelacteal honey + cord dung. Sort + act?

Both harmful — stop + EBF + dry cord + counsel.

IMNCI + RCH + ICDS + School health + POCSO + Juvenile Justice = safety net! Rights: survival + protection + development + participation — nurse reports abuse + links schemes + documents!

RCH + ICDS + IMNCI net	POCSO + JJ protect	Report + link + document!
---------------------------	-----------------------	------------------------------

▲ SCHEME / RIGHT — NURSE LINK

Scheme / right	Nurse link
RCH + JSY/JSSK	ANC + birth + PNC + transport + cashless
ICDS/Anganwadi	Growth + SNP + preschool + referral
POCSO + JJ	Report abuse + child-friendly + follow-up
Rights 4	Survival + protection + development + voice

⚠ FATAL TRAP

Seeing abuse + 'family matter' silence + no MLC + lost follow-up = crime + repeat! Examine + document + report + shelter + 1098 + review — confidentiality breaks for danger.

★ NORCET HIT

HIT: 1098 childline + 1097 AIDS + 181 women. MCP + RCH + UDISE + school health = track every child!

★ PNC PEARL: Danger breaks confidentiality — always.

► Abuse disclosure + 'don't tell'. Trio?

Examine + report + shelter + 1098 + follow-up.

PREVENTIVE PEDIATRICS + INDICATORS

Well-baby + under-five clinics + growth + vaccines + ORS + BF + deworm = prevention!
IMR/U5MR/NMR per 1,000 LB; MMR per lakh — SRS + NFHS quote them, programmes answer them!

Well-baby + under-five	IMR/U5MR per 1,000 LB	MMR per lakh alone!
---------------------------	--------------------------	------------------------

◆ CLINIC / RATE — DOES

Clinic / rate	Does
Well-baby	Growth + vaccines + counsel + BF + ORS
Under-five	Triage + IMNCI + referral + follow-up
IMR/U5MR/NMR	Deaths/1,000 LB — programme report card
MMR	Deaths/1,00,000 LB — maternal lens

⚠ FATAL TRAP

Curative-only + 'growth chart optional' + missed vaccines + ORS-unknown = preventable deaths! Every contact: weigh + plot + vaccinate + counsel + date — opportunistic care!

★ NORCET HIT

HIT: Under-five leading killers: pneumonia + diarrhea + malaria + measles + malnutrition + neonatal. ORS + zinc + vaccines + BF prevent most!

★ PNC PEARL: Weigh, plot, jab, counsel — every contact.

► Sick visit + no weight 3 mo + missed shots. Minimum?

Weigh + plot + catch-up + ORS/BF demo + date.

UIP SCHEDULE (CURRENT)

Birth: BCG + OPV-0 + HepB-BD! 6-10-14 wks: Penta + OPV + Rota + PCV + fIPV; 9 mo MR + Vit A; 16–24 mo DPT/MR/OPV boosters — card + cold + consent + 30-min watch + AEFI kit + catch-up till 5 yrs!

Birth: BCG + OPV + HepB	6-10-14 wks: Penta + Rota	9 mo MR + Vit A + boosters
----------------------------	------------------------------	-------------------------------

Σ AGE – DUE

Age	Due
Birth	BCG + OPV-0 + HepB-BD
6/10/14 wks	Penta + OPV + Rota + PCV + fIPV
9 mo	MR-1 + Vit A + JE where due
16–24 mo	DPT + MR-2 + OPV + Vit A + boosters

⚠ FATAL TRAP

BCG-in-sick/LBW<2kg autopilot + missed HepB-BD + no AEFI kit + 'come next month' = protocol break!
Screen stability + same-day + 30-min watch + adrenaline + card + MCP + due-list.

★ NORCET HIT

HIT: Open-vial + shake-test + VVM + freeze-watch (shake DPT!). Live + same-day-or-28-days rule.
Catch-up + defaulter-tracking = ANM heroism!

★ PNC PEARL: Card stamped today beats promises tomorrow.

► Well day-3, missed HepB-BD. Act?

Give now + card + schedule + counsel.

2–8°C + VVM + shake + freeze-NEVER (DPT/HepB/TT!) + OPV/BCG frozen-safe + ILR + deep-freezer + carriers + AEFI kit! VVM 3–4 = discard; shake-test fail = discard — potency dies silently!

2–8°C + VVM watch	Freeze kills DPT/HepB!	Shake fail / VVM 3-4 = out!
----------------------	---------------------------	--------------------------------

★ ITEM — RULE

Item	Rule
ILR + freezer	Vaccines 2–8; icepacks frozen separate
VVM	1-2 use + FIFO; 3-4 discard
Shake test	DPT/HepB/TT grainy = frozen = discard
Session	Carrier + 4 icepacks + AEFI + card + list

⚠ FATAL TRAP

Frozen-shaken DPT + VVM-4 + 'cold enough' + no AEFI kit = zero protection + shock death! Daily temp twice + power + FIFO + shake + kit + 30-min watch + report.

★ NORCET HIT

HIT: BCG + measles = light + use-fast (open-vial limits). OPV +2–8, BCG +2–8; diluents NEVER frozen! AEFI: adrenaline + hydrocortisone + O2 + transfer.

★ PNC PEARL: Potency is invisible — chain proves it.

► DPT grainy on shake + VVM 2. Use?

No — frozen: discard + indent + report + revaccinate.

Small airway + big tongue + fast rate + big surface + weak immune + weight-doses + fear + separation! Milieu: bright + play + parent bed + school + privacy + pain-free + rights — hospital heals AND teaches!

Small airway +
fast + fearful

Weight + surface
doses

Play + parent +
school inside!

▲ CHILD — MEANS

Child	Means
Airway/breathing	Small + fast + obstructs — size + O2 + suction
Fluids/drugs	Surface/weight + immature kidney/liver
Mind	Magical + separation + stranger + pain fear
Milieu	Play + parent + school + privacy + rights

⚠ FATAL TRAP

Adult ward + adult doses + tied + parents-out + painful-no-plan = trauma + error + DAMA! Pediatric zone + parent + play + pain + school + consent + safety + rights + smile.

★ NORCET HIT

HIT: Rooming + preparation + choice + reward + story + medical play cut fear + sedation + stay! Adolescent privacy + peer + phone + school-link.

★ PNC PEARL: Small bodies, big fears — plan both.

► Toddler + IV + screaming + parents out. Fix trio?

Parent in + play prep + pain plan + reward.

Separation + stranger + pain + loss-control + regression + guilt (parents!) = crisis by age!
Prepare + room-in + play + school + choice + reward + discharge-demo + follow-up — nurse = anchor + translator + shield!

Separation +
stranger + pain

Regression +
guilt normal

Prepare + room +
play + choice!

◆ AGE — REACTS — NURSE

Age	Reacts	Nurse
Infant	Separation + stranger	Room-in + consistent + comfort
Toddler	No + regression + tantrum	Choice + routine + transitional toy
Preschool	Magical + guilt + fear	Explain + medical play + reward
School/teen	Control + peer + privacy	School + peer + privacy + phone

⚠ FATAL TRAP

Restrain + lie ('no pain') + parents-out + no play + abrupt discharge = trauma + DAMA + readmit! Truth + prep + parent + play + pain + praise + demo + card + date.

★ NORCET HIT

HIT: Protest-despair-denial stages need consistent + primary nursing! Sibling + school + pet + home-link + follow-up call heal family too.

★ PNC PEARL: Anchor, translator, shield — the nurse trio.

► Toddler + regression + tantrums day-2. Stage + act?

Protest — routine + choice + toy + parent + praise.

Eye-level + name + play + choice + truth + one-step + praise! Infant: voice + hold; toddler: choice + demo; preschool: story + medical play; school: explain + involve; teen: privacy + respect — parents: listen + partner + teach-back!

Eye-level +
play + choice

Truth + one-step
+ praise

Teach-back
parents!

Σ AGE — TALK

Age	Talk
Infant	Voice + smile + hold + parent voice
Toddler	Choice (2) + demo + short + reward
Preschool	Story + doll + draw + praise
School/teen	Explain + involve + privacy + respect

⚠ FATAL TRAP

Jargon + lie ('ant bite') + scold + ignore + parents-unheard = fear + fight + error! Sit + play + show + ask + teach-back + document + handover + follow-up question time.

★ NORCET HIT

HIT: BEST-response questions: acknowledge + safe + choice + presence. Breaking bad news: SPIKES + private + both parents + hope + plan + support!

★ PNC PEARL: Play first, procedure second.

► Preschool + injection + screaming. Sequence?

Story + doll demo + choice + praise + parent hold.

Denial-anger-bargain-depress-accept + siblings + rituals + memory + follow-up! Nurse = clinician + teacher + advocate + researcher + comforter + coordinator — debrief self too, grief shared is grief halved!

Stages + siblings
+ rituals

Nurse = 5 hats
+ comforter

Debrief self
too!

★ NEED — GIVE

Need	Give
Child/family	Truth + rituals + memory + support + date
Siblings	Include + explain + school + watch
Nurse roles	Care + teach + advocate + research + lead
Self	Debrief + rest + team + counsel

⚠ FATAL TRAP

'Be strong, forget' + hidden body + no goodbye + nurse-alone grief = complicated mourning + burnout!
Choices + holds + photos + siblings + follow-up + staff circle + psych.

★ NORCET HIT

HIT: Memory box + handprint + lock + photo + ceremony + anniversary card heal. SIDS + anomaly + ICU + oncology + palliative need structured + team grief!

★ PNC PEARL: Goodbye done well heals for years.

► Sibling + withdrawn + school dip after loss. Act?

Include + explain + school + counsel + watch.

PRE/POST-OP CARE (CHILD)

NPO + weight + consent + mark + allergy + blood + antibiotics + warmer + parent-till-door + pain + NPO-after + void + walk + wound + discharge-demo + date! Fasting + fear + fluids + family = the 4 Fs managed!

**NPO + weight
+ mark**

**Parent till door
+ pain plan**

**Void + walk +
wound + demo!**

▲ PHASE — DO

Phase	Do
Pre	NPO + weight + consent + mark + allergy + blood
Day	Antibiotics + warmer + count + samples + parents
Post	Pain + NPO-after + void + walk + wound + fluids
Home	Demo + meds + red + diet + school + date

⚠ FATAL TRAP

Wrong-side + no mark + NPO-break + no consent + cold + no pain + early discharge-without-void = never-events! Checklist + mark + count + warmer + pain + void + walk + card + call.

★ NORCET HIT

HIT: NPO: milk 4 h + solids 6–8 h + clears 2 h + breast 4 h. Day-care: void + walk + feed + pain + escort + phone + distance + date!

★ PNC PEARL: Mark, count, void, walk — surgery's gates.

► Post-op + no void 6 h + distended. Act?

Retention — encourage + catheter + measure + cause.

Weight (kg!) + surface + dilution + double-check + rights + allergy + renal/liver + pump + read-back! mg↔ml math + decimal + zero + label + pump-lock + handover — kids overdose on adult habits!

kg + dilution + double	Rights + allergy + read-back	Pump + label + handover!
---------------------------	---------------------------------	-----------------------------

◆ STEP — RULE

Step	Rule
Order	kg + mg/kg + dilution + route + renal/liver
Check	Two-nurse + allergy + expiry + label + pump
Give	Rights + read-back + slow + watch + document
After	Effect + adverse + levels + handover + teach

⚠ FATAL TRAP

Decimal + verbal + adult-vial + no double-check + pump-free drip = 10× overdose! Independent check + weight + dilution + slow + monitor + antidote (naloxone/flumazenil) + report + learn.

★ NORCET HIT

HIT: High-alert: chemo + insulin + heparin + digoxin + opioids + KCl! Paracetamol 15 mg/kg + ibuprofen 10 mg/kg + intervals + max + liver/kidney + counsel!

★ PNC PEARL: kg, check, slow — the safe trio.

► 10-kg fever + prescribed 250 mg paracetamol. Check?

Over! 150 mg (15 mg/kg) — clarify + document.

Holliday-Segar 100-50-20 + deficit + ongoing + electrolytes + pump + I/O + weight + reassess!
Dehydration plans A/B/C + ORS + zinc + feed + shock-bolus 20 ml/kg + reassess — math + monitor together!

100-50-20 rule	Plans A/B/C + ORS + zinc	Bolus 20/kg + reassess!
-------------------	-----------------------------	----------------------------

Σ ITEM — MATH

Item	Math
Maintenance	100 (<10 kg) + 50 (10–20) + 20 (>20)/day
Deficit	% × weight × 10 (ml) + replace + monitor
Dehydration	A-none + B-some (ORS) + C-severe (IV + bolus)
Shock	20 ml/kg bolus + reassess + blood + ICU

⚠ FATAL TRAP

Hypotonic-flood + no weigh + no I/O + 'plan'-unknown + bolus-without-reassess = edema + shock-missed!
Weigh + chart + reassess + sodium + glucose + senior + HDU + handover.

★ NORCET HIT

HIT: ORS + zinc 10–14 d + feed + handwash + vaccine + counsel prevent most! Bolus + reassess + cause (sepsis/bleed/DKA/burn) + blood + ICU!

★ PNC PEARL: Weigh, math, watch — fluids' trinity.

► 12-kg some-dehydration + thirsty + skin pinch. Plan + fluid?

Plan B — ORS 75 ml/kg/4 h + zinc + feed + review.

Least + last + documented! Mummy (chest/procedure) + elbow (no face-pull/IV-pull) + jacket + crib-nets — consent + circulation + skin + release-q2h + comfort + parent + debrief!

Least + last + logged	Mummy/elbow/ jacket/net	Release q2h + comfort!
--------------------------	----------------------------	---------------------------

★ TYPE — USE — WATCH

Type	Use	Watch
Mummy	Chest/procedure stillness	Breathing + face + time
Elbow	No IV/face pull	Skin + circulation + release
Jacket/crib-net	Fall/safety + confused	Climb + entrap + dignity

⚠ FATAL TRAP

Tied + alone + unwatched + 'naughty' = injury + trauma + rights case! Indication + consent + least + padded + circulation + release + parent + play-alternative + document + review.

★ NORCET HIT

HIT: Alternatives first: parent-hold + swaddle + distraction + pain + sleep + 1:1! Release + ROM + skin + fluids + toilet q2 h + log!

★ PNC PEARL: Restraint needs reason, release, record.

► IV-pull + elbow restraint + pale fingers. Act?

Release + circulation + re-secure + alternative + log.

PAIN ASSESSMENT IN CHILDREN

Self-report wins (faces/numeric by age!); preverbal = FLACC (face-legs-activity-cry-consolability)! Treat + reassess + document + parent-score + play + comfort — pain is the 5th vital, believe it!

Self-report wins by age	FLACC for preverbal	Believe + treat + reassess!
----------------------------	------------------------	--------------------------------

▲ TOOL — AGE — USE

Tool	Age	Use
FLACC	Preverbal/cognitive	Face-legs-activity-cry-consolability
Wong faces	3+ yrs	Point + treat + reassess
Numeric	School/teen	0–10 + trend + plan
Parent + vitals	All + adjunct	Tachy + cry + guard + report

⚠ FATAL TRAP

'No cry = no pain' + IM-without-plan + no reassess = suffering + fear + DAMA! Score + drug + comfort + play + parent + reassess + document + handover + follow-up.

★ NORCET HIT

HIT: Sucrose + swaddle + skin (neonates) + topical + distraction + guided + PCA where apt! Chronic + cancer + palliative pain = scheduled + breakthrough + bowel + psych!

★ PNC PEARL: Score it, soothe it, show the trend.

► FLACC 8 post-op + crying + rigid. Act?

Treat (drug + comfort) + reassess + document + parent.

GROWTH & DEVELOPMENT PRINCIPLES

Cephalo-to-caudal + proximal-to-distal + simple-to-complex + continuous + uneven + individual!
Growth = size (cm/kg/HC); development = skill (motor/social/language) — measure BOTH, plot ALWAYS!

Head-to-toe + near-to-far	Growth = size cm/kg/HC	Skill = motor + social + words
------------------------------	---------------------------	-----------------------------------

◆ RULE — MEANS

Rule	Means
Cephalocaudal	Head control → sit → stand → walk
Proximodistal	Shoulder → grasp → pincer
Simple-complex	Babble → words → sentences
Individual	Ranges + spurts + catch-up + genes

⚠ FATAL TRAP

One missed milestone + 'wait and watch' + no plot + no refer = late CP/autism/hearing! Red-flag + screen + EI + referral + card + follow-up — early = brain saved!

★ NORCET HIT

HIT: Sensitive windows + play + talk + read + love build brains! Regression (lost skill) = emergency workup, never wait!

★ PNC PEARL: Direction + sequence + story — then screen.

► Lost babbling + no eye contact 18 mo. Act?

Regression — screen + EI + referral + follow-up.

GROWTH FACTORS + ANTHROPOMETRY

Genes + nutrition + hormones + love + health + SES write growth! Weight + length/height + HC + MUAC + plot (WHO) + interpret (percentile/Z) + act (counsel/refer) — weigh + plot + act, every contact!

**Genes + food +
hormones + love**

**Weigh + plot
+ act always**

**Z-score decides
admit/feed!**

Σ MEASURE — TOOL — ACT

Measure	Tool	Act
Weight	Scale + zero + undressed	Plot + gain + feed plan
Length/height	Board/stadiometer + position	Stunting = chronic + diet
HC + MUAC	Tape + <11.5 red + edema	SAM/MAM + appetite + admit
Teeth + fontanelle	Count + close dates	First tooth ~6 mo; AF ~18 mo

⚠ FATAL TRAP

Weigh-with-clothes + no plot + 'small family' + missed edema = SAM death! Undress + zero + plot + Z + appetite + complication + admit/feed + RUTF + follow-up + card.

★ NORCET HIT

HIT: Birth doubles ~5 mo, triples ~1 yr! HC +1 cm/mo first 6 mo. MUAC + edema + appetite = community SAM triage!

★ PNC PEARL: Plot today, prevent tomorrow.

► MUAC 11 + edema + no appetite. Class + act?

Complicated SAM — admit + F-75 + antibiotics + watch.

MILESTONES: BIRTH TO ADOLESCENCE

3-smile, 6-sit, 8-babble, 9-stand, 12-walk-talk, 2-run-sentences, 3-dress, 5-school-ready! Gross + fine + social + language — red-flag + screen + EI + referral + card + parent-demo + date!

3 smile, 6 sit 12 walk-talk	4 domains every check	Red-flag + screen + EI!
--------------------------------	--------------------------	----------------------------

★ AGE — DOES

Age	Does
3 mo	Smile + head + coo + track
6–9 mo	Sit + babble + stranger + stand
12 mo	Walk + 2 words + wave + point
2–5 yrs	Run + sentences + dress + play + school

⚠ FATAL TRAP

No head-4 mo + no sit-9 mo + no walk-18 mo + 'late family' + no action = CP/hearing/autism late! Screen + hearing + vision + EI + referral + card + demo + date.

★ NORCET HIT

HIT: Language + social + pretend + point = autism screen (M-CHAT)! Fine: grasp → transfer → pincer → scribble → copy — hand leads brain!

★ PNC PEARL: Smile, sit, walk, talk — miss one, move fast.

► No walking + no words 18 mo. Act trio?

Screen + hearing + EI + referral + card.

FREUD + KOHLBERG (QUICK MAP)

Freud: oral → anal → phallic → latency → genital (fixation = stress-return)! Kohlberg: pre (punish) → conventional (please) → post (principle) — discipline + moral talk matched to stage, never shamed!

Oral→anal→phallic
→latency→genital

Punish→please→
principle

Match talk
to stage!

▲ STAGE — CLUE

Stage	Clue
Oral/anal/phallic	Mouth/toilet/curiosity + comfort + routine
Latency	School + rules + peers + praise
Genital	Identity + privacy + respect + guide
Moral	Consequence → approval → conscience

⚠ FATAL TRAP

Shaming curiosity + 'big kids don't cry' + adult-morals on preschoolers = guilt + fear + lies! Stage-talk + privacy + comfort + routine + praise + safe-questions + counselor.

★ NORCET HIT

HIT: Fixation/regression under stress (thumb + bedwetting + cling) = comfort + routine + patience, not punishment!

★ PNC PEARL: Stage sets the script — read it first.

► Hospitalized 4-yr + thumb + bedwetting. Act?

Regression — comfort + routine + parent + praise.

Trust → autonomy → initiative → industry → identity! Hospital breaks each (separation/shame/guilt/inferiority/role-loss) — consistent + choice + play + school + privacy + peer repair every stage!

Trust→autonomy→ initiative→industry	Hospital breaks each stage	Repair with stage- matched care!
--	-------------------------------	-------------------------------------

◆ STAGE — BREAK — FIX

Stage	Break	Fix
Trust (infant)	Separation	Room-in + consistent + comfort
Autonomy (toddler)	Shame/doubt	Choice + routine + praise
Initiative (preschool)	Guilt	Play + story + reward
Industry/identity	Inferiority/loss	School + peer + privacy

⚠ FATAL TRAP

Strangers + force + shame + isolation + no school = developmental free-fall! Primary nurse + parent + play + school + choice + peer + phone + discharge-school-link.

★ NORCET HIT

HIT: Autonomy phrases ('do it!') + initiative praise + industry charts + identity respect = exam BEST-responses!

★ PNC PEARL: Break it? Fix it by stage.

► **Teen + withdrawn + 'no one understands'. Stage + act?**

Identity — privacy + peer + respect + counsel.

PIAGET STAGES

Sense → Fancy → Logic-concrete → Logic-abstract! Sensorimotor (peekaboo + object) → preoperational (magical + ego) → concrete (conserve + sort) → formal (hypothesize) — teach + prepare + play by stage!

**Sense→fancy→
concrete→abstract**

**Magical + ego
preschool**

**Teach + prep
by stage!**

Σ STAGE — CLUE — CARE

Stage	Clue	Care
Sensori (0–2)	Peekaboo + object + comfort	Hold + voice + parent
Preop (2–7)	Magical + ego + fear	Story + doll + reward
Concrete (7–11)	Conserve + sort + rules	Explain + involve + school
Formal (11+)	Hypothesize + debate	Reason + respect + privacy

⚠ FATAL TRAP

Adult-logic + 'understand!' + no play + lie about pain = terror + non-cooperation! Stage-prep + medical play + choice + reward + teach-back + document + handover.

★ NORCET HIT

HIT: Object permanence (~9 mo) + stranger/separation peak! Conservation + reversibility mark concrete — exam traps!

★ PNC PEARL: Think like their stage, then lead forward.

► **5-yr + 'shot will punish naughty'. Reframe?**

Magical — story + doll + reward + parent + truth.

Love + sleep + play + limits + love-language + routine + school + safety = needs! Nutrition: EBF 6 mo + timely + adequate + safe + responsive + continued 2 yrs + iron + Vit A + deworm + growth + counsel!

Love + sleep +
play + limits

EBF 6 mo +
timely + safe

Iron + Vit A
+ deworm!

★ NEED – GIVE

Need	Give
Love/sleep/play	Routine + story + outdoor + limits + praise
EBF + timely	6 mo + thick + varied + responsive + 2 yrs
Micros	Iron + Vit A + deworm + iodized + growth
School/safety	Enroll + helmets + water + gates + locks

⚠ FATAL TRAP

Bottle + dilute + early/late weaning + 'family pot' + no iron/Vit A = malnutrition + anemia + death! Demo + cup + card + WASH + growth + follow-up + father + grandma + ASHA.

★ NORCET HIT

HIT: Complementary: timely + adequate + safe + responsive + continued! Iron + Vit A + deworm + growth = Anemia-Mukt + RBSK chain!

★ PNC PEARL: Feed the age, not the habit.

► 7-mo + dilute bottle + thin + pale. Fix trio?

Thick + EBF-stop + iron + growth + demo + date.

Hour-one + EBF 6 mo + on-cue 8–12× + night + areola-latch + no water/top-ups! Colostrum = gold + antibodies + laxative; letdown + cramps + thirst = working — pain = position, fix fast + weigh + pees!

Hour-one + EBF 6 mo	Areola-latch + 8–12× + night	Pain = fix position!
------------------------	---------------------------------	-------------------------

▲ STEP — CHECK

Step	Check
Latch	Wide + areola + lip-out + chin-in + painless
Pattern	On-cue + night + swallow + content + pees
Milk proof	Weight + 6+ pees + stools + sleep + growth
Problems	Crack/flat/engorge = latch + holds + express

⚠ FATAL TRAP

Water + ghutti + scheduled + 'small milk' + early top-ups + separation = supply-crash + sepsis + death!
Rooming + skin + cue + night + weigh + support + work-plan + EBF to 6 mo.

★ NORCET HIT

HIT: HIV + EBF + ART per guidance (no mixed!).
Work-return = express + store + cup + caregiver + creche + law + support!

★ PNC PEARL: Cue + night + areola = supply secured.

► Day-3 'no milk' + 2 pees + sleepy. Act?

Feed q2 h + wake + weigh + latch + night + review.

6 mo + thick + varied + responsive + continued BF 2 yrs! Rice-dal + oil + veg + egg + fruit + handwash + cup + 3–5 meals + iron + growth — dilute + bottle + early/late + family-pot-only = malnutrition!

**6 mo + thick
+ varied**

**3–5 meals +
oil + egg**

**Cup + handwash
+ growth!**

★ RULE — DO

Rule	Do
Timely	Start 6 mo (not before/after) + continue BF
Adequate	Thick + energy (oil) + protein + veg/fruit
Safe/responsive	Handwash + cup + feed patiently + hunger cues
Continued	BF 2 yrs + sick-extra + growth + date

⚠ FATAL TRAP

Dilute bottle + early biscuits + late start + 'family food enough' + no oil/egg + missed growth = stunting + anemia + death! Demo thickness + measure + card + WASH + father + grandma.

★ NORCET HIT

HIT: Thick stays on spoon! 6–8 mo 2–3 meals + 9–11 mo 3–4 + 12–24 mo 3–5 + snacks + milk + iron + Vit A + deworm!

★ PNC PEARL: Spoon-test thick, cup-safe, growth-proved.

► 7-mo + watery bottle + flat curve. Fix trio?

Thick + meals + oil/egg + cup + growth + demo.

SUPPLEMENTARY/ARTIFICIAL FEEDING + BFHI

Cup + measured + sterile + ratio-exact + burp + handwash when breast impossible (death/illness/choice + counsel)! BFHI 10 steps (hour-one + rooming + no teats + support) = hospital earns the plaque!

Cup + ratio-
exact + sterile

BFHI 10 steps
+ no teats

Support + work-
plan + law!

▲ ITEM — RULE

Item	Rule
Artificial	Indication + sterile + ratio + cup + counsel
BFHI core	Hour-one + rooming + cue + no bottles + support
Work-return	Express + store + cup + caregiver + creche
Code	No formula ads/samples + violation = report

⚠ FATAL TRAP

Bottle + over/under-scoop + unboiled + 'top-up till quiet' + free samples = diarrhea + death + code-violation!
Sterile + measured + slow + burp + demo + card + follow-up.

★ NORCET HIT

HIT: IMS Act bans promotion! Relactation possible + counsel + skin + frequent + supplementer + support + patience!

★ PNC PEARL: Measure twice, mix once, cup always.

► Orphan + day-1 + no milk bank. Plan?

Sterile formula + cup + ratio + counsel + card.

PLAY + DEVELOPMENTAL RED FLAGS

Play = work + therapy + assessment + reward! Age-toy + sick-play + medical play + school + praise — no smile-3 mo, no sit-9 mo, no walk-18 mo, no words + lost skills = screen + EI + referral NOW!

Age-toy + sick-
play + praise

Red-flag +
screen + EI

Lost skill =
emergency!

◆ AGE — TOY — FLAG

Age	Toy	Flag
Infant	Rattle + peekaboo + tummy	No smile/track-3 mo
Toddler	Blocks + push + scribble	No walk/words-18 mo
Preschool	Dress + draw + pretend	No sentences/play-3 yrs
Any	Medical play + school	Lost skill = workup

⚠ FATAL TRAP

'Boys talk late' + no screen + no EI + 'school will fix' = autism/CP/hearing lost years! Flag + hearing + vision + EI + referral + card + demo + date + follow-up.

★ NORCET HIT

HIT: Play prescription + toy library + sibling + father + screen-time limits + sleep + outdoor + reading = brain building!

★ PNC PEARL: Flagged early, fixed early.

► No pointing + no pretend 2 yrs. Act trio?

Autism screen + hearing + EI + referral.

Score at birth: weight + gestation + cry + color + tone + anomaly + maternal flags — then NBCC → NBSU → SNCU + warm + O2 + glucose + feed + slip + call + transport! Sort first, shift warm!

Score: wt + gest + cry	NBCC→NBSU→ SNCU ladder	Warm + O2 + slip + call!
---------------------------	---------------------------	-----------------------------

Σ STEP — DO

Step	Do
Appraise	Weight + gestation + cry + tone + anomaly + flags
Decide	Home/HBNC vs NBSU vs SNCU + bed confirmed
Stabilize	Warm + O2 + glucose + feed + KMC + lines
Shift	Slip + call + money + family + feedback

⚠ FATAL TRAP

'Cries = fine' + cold open-auto + no glucose + no call + no money = dead-on-arrival + debt! Appraise + warm + feed + O2 + glucose + KMC + referral + JSSK + feedback.

★ NORCET HIT

HIT: High-risk: <2.5/>4 kg, <37/>42 wks, asphyxia, RD, <24-h jaundice, anomaly, diabetic/septic mother, twins!

★ PNC PEARL: Sort, warm, call — then wheels.

► 2 kg + cold + grunt + poor suck. Level + move?

SNCU — warm + O2 + glucose + call + transport.

ENBC (warm + cord + EBF + eye + Vit K + weigh + vaccines + card) at EVERY birth + home visits!
FBNC adds: resuscitate + warm + feed + KMC + sepsis + jaundice + refer + SNCU — HBNC
(ASHA 6 visits) closes the loop!

ENBC every birth + home	FBNC adds: rescue + SNCU	ASHA 6 + HBNC loop!
----------------------------	-----------------------------	------------------------

★ CARE — INCLUDES

Care	Includes
ENBC	Warm + dry + cord + EBF + eye + Vit K + weigh + shots
FBNC	Resuscitation + KMC + sepsis + jaundice + SNCU
HBNC	ASHA 6 home visits + weigh + counsel + refer
Card	MCP + vaccines + danger + dates + money

⚠ FATAL TRAP

Birth + 'go home' + no ENBC + no visits + missed danger = day-3 death at home! Hour-one + 6 visits + weigh + counsel + refer + JSSK + card + date + feedback.

★ NORCET HIT

HIT: Home-based: temperature + feed + cord + jaundice + breathing + weight + referral + transport + money + family!

★ PNC PEARL: Facility starts, home completes.

► Home birth + no ENBC + day-2 cold + poor suck. Act?

Warm + feed + danger + urgent FBNC + transport.

Dry-warm-position-clear-PPV-compress-drugs! Apneic/gasping/HR<100 = PPV; <60 = compress + lines + epi + NICU — clock + roles + checked kit + warmth + document + debrief + HIE watch!

Dry-position-PPV-compress	<100 PPV; <60 compress	Clock + kit + warmth!

⚠ FATAL TRAP

*Trial-only + documented + stop-if-fail!
Steroids/antibiotics-routine + 'asthma' label + smoke + no follow-up = resistance + missed + recurrent! Support + watch + wheeze-plan + review.

★ NORCET HIT

HIT: Apnea + poor feed + <3 mo + preterm + CHD = admit + ICU! RSV + hMPV + flu + cohort + Bed + vaccine (flu!) + winter + audit!

★ PNC PEARL: Support the small airways, starve the myths.

► 2-mo + wheeze + apnea + poor feed. Lane?

Admit + O2 + fluids + monitor + HDU + cohort.

Fast + indrawing + danger + hypoxia = CLASSIFY + amoxicillin/O2/referral! Cutoffs 60/50/40 + pulse-ox + danger + comorbidity + vaccines (Hib/PCV/measles) + smoke-free + 2-day review + card!

60/50/40 + pulse-ox	Amoxicillin + O2 + referral	Vaccines + smoke- free + review!
------------------------	--------------------------------	-------------------------------------

★ CLASS — ACT

Class	Act
No (fast only)	Amoxicillin + home + fluids + 2-d review
Severe (indrawing)	First-dose + O2 + referral + admit
Very severe	IV + O2 + ICU + comorbidity + HDU
Prevent	Hib/PCV/measles + BF + zinc + smoke-free

⚠ FATAL TRAP

Cough-syrup + no count + missed indrawing/hypoxia + 'viral' + no review = death! Count + ox + classify + first-dose + referral + card + date + defaulter-track + audit.

★ NORCET HIT

HIT: Danger + stridor + wheeze + malnutrition + anemia + HIV stack risk! O2 + fluids + feed + paracetamol + danger + return + transport + money!

★ PNC PEARL: Count, classify, come-back.

► **Fast + indrawing + 3 yrs + fever. Class + act?**

Severe — first-dose + O2 + urgent referral.

Episodic wheeze + cough-night + triggers + family + reversibility = ASTHMA! Reliever (SABA + spacer) + controller (ICS + technique + adherence) + action-plan + triggers + vaccines + growth + review — steroids fear kills, control saves!

Wheeze + night-cough + triggers

**SABA + spacer
+ ICS + plan**

**Technique +
review always!**

▲ STEP — DO

Step	Do
Diagnose	Episodes + triggers + family + reversibility
Relieve	SABA + spacer + O2 + severe = neb + ICU
Control	ICS + technique + adherence + diary
Plan	Written + triggers + vaccines + growth + review

⚠ FATAL TRAP

SABA-only + no spacer + no ICS + 'steroid fear' + missed severe + no plan = status + death! Technique + adherence + diary + peak-flow + red + ICU + intubation-ready + follow-up.

★ NORCET HIT

HIT: Spacer + mask + shake + breathe + hold + rinse!
Triggers: smoke + dust + pets + cold + exercise + infection + emotion + chocolate? + review!

★ PNC PEARL: Spacer + diary + plan = control.

► Wheeze + can't speak + drowsy + silent chest. Act?

Severe — O2 + neb + ICU + senior + monitor.

JUVENILE DIABETES (T1DM)

Polyuria + polydipsia + weight-loss + DKA (fruity + Kussmaul + dehydrated) = T1DM! Insulin + carb-count + glucose-log + hypo-kit + sick-rules + school + camp + HbA1c + eyes/kidney + transition + psych!

**3 Ps + DKA
= T1DM**

**Insulin + carb +
log + hypo-kit**

**School + camp
+ HbA1c!**

◆ ITEM — RULE

Item	Rule
Diagnose	Sugar + ketones + ABG + HbA1c + autoantibodies
DKA	Fluids + insulin + K + acidosis + cause + ICU
Daily	Basal-bolus + carb + log + hypo-kit + exercise
Life	School + camp + eyes/kidney + psych + transition

⚠ FATAL TRAP

Missed DKA (fruity + deep + dehydrated + 'flu') + insulin-stop + no sick-rules + no hypo-kit = coma + death! Fluids + insulin + K + cause + ICU + teach + school + 24-h helpline.

★ NORCET HIT

HIT: Hypo (sweaty + shaky + hungry) = 15-15 + glucagon + ID + school-kit! Honeymoon + dawn + Somogyi + pump + CGM + registry + camp!

★ PNC PEARL: Log + kit + school = safe sugar.

► Fruity + Kussmaul + dehydrated + sugar high. Act?

DKA — fluids + insulin + K + ICU + cause.

CHILDHOOD HYPOTHYROIDISM + GENETICS

**Prolonged jaundice + hoarse + puffy + constipation + big tongue + poor growth =
HYPOTHYROID! Heel-screen + thyroxine early + growth + IQ saved — genetics: pedigree +
counsel + Down/Turner + carrier + prenatal + support!**

**Jaundice + puffy +
poor growth = test**

**Heel + thyroxine
early = IQ saved**

**Pedigree + counsel
+ support!**

Σ ITEM – ACT

Item	Act
Screen	Heel TSH + recall + confirm + start days
Treat	Thyroxine + growth + development + review
Genetics	Pedigree + risk + prenatal + carrier + support
Syndromes	Down/Turner + heart/thyroid/hearing + EI

⚠ FATAL TRAP

Late heel + 'chubby healthy' + missed screening +
stop-thyroxine = cretinism + IQ lost forever! Screen +
start + adhere + growth + hearing + EI + school + card
+ date.

★ NORCET HIT

HIT: Down (flat + fold + tone + heart) + Turner (webbed
+ short) + fragile + metabolic + newborn-screen panel +
registry + parent-group!

★ PNC PEARL: Heel today, IQ tomorrow.

► Prolonged jaundice + puffy + poor suck. Test + act?

TSH + thyroxine + growth + EI + review.

Draw + risk + options + support + follow-up! Pedigree 3 generations + consanguinity + recurrence + prenatal (USG/biochemical/invasive) + newborn screen + carrier + termination-law + grief + support-group + registry!

**Pedigree 3-gen
+ consanguinity**

**Risk + prenatal
+ options**

**Support + law
+ registry!**

★ STEP – DO

Step	Do
Draw	Pedigree + consanguinity + history + exam
Risk	Recurrence + carrier + prenatal + options
Decide	Non-directive + law + consent + time
Support	Group + registry + EI + follow-up + FP

⚠ FATAL TRAP

Directive + 'must abort/continue' + no consent + breach + no support = harm + suit! Non-directive + privacy + time + second-opinion + law + documented + followed.

★ NORCET HIT

HIT: MTP + PCPNDT + RPWD + CARA intersect + board + records + audit + ethics + counselor + team + helpline!

★ PNC PEARL: Inform, don't direct.

► Consanguineous + prior anomaly + pregnant. Offer?

Pedigree + risk + prenatal + options + support.

ACCIDENT PREVENTION BY AGE

Age writes danger: infant (falls/burns/choke) + toddler (poison/drown/run) + preschool (traffic/play) + school (sports/cycle) + teen (drive/drown/substance)! Gates + locks + helmets + fences + swim + seats + teach + supervise!

Age writes danger	Gates + locks + helmets + fences	Teach + supervise + laws!
-------------------	----------------------------------	---------------------------

▲ AGE — TOP RISKS — GUARD

Age	Top risks	Guard
Infant	Falls + burns + choke	Rails + warm-test + small-off
Toddler	Poison + drown + run	Locks + fence + hand + gates
Preschool/school	Traffic + play + cycle	Helmet + road + supervise
Teen	Drive + drown + substance	License + swim + counsel

⚠ FATAL TRAP

Unlocked meds/chemicals + open water + no helmet/seat + alone-bath + 'careful!'-only = death + disability + guilt! Locks + fences + seats + helmets + swim + CPR + 108 + law.

★ NORCET HIT

HIT: Home + road + school + water + burn + poison + fall + drown + bite + -safe checklist + demo + audit + campaign + registry!

★ PNC PEARL: Guard the age, gate the danger.

► Toddler + open pills + alone + drowsy. First trio?

ABCs + poison-centre + sample + referral + safety-fix.

ABCs + glucose + sample + poison-centre + decontaminate (charcoal <1 h + protected!) + antidote (NAC/paracetamol, atropine/OPC, naloxone/opioid, desferrioxamine/iron, ethanol/methanol) + observe + psych + MLC + lock!

ABCs + sample
+ centre

Charcoal <1 h
+ protected

Antidote +
observe + MLC!

⚠ POISON – ANTIDOTE

Poison	Antidote
Paracetamol	NAC + nomogram + LFT + admit
OPC	Atropine + pralidoxime + airway + ICU
Opioid/iron	Naloxone / desferrioxamine + monitor
Corrosive/kerosene	NO vomit/lavage + scope + ICU

⚠ FATAL TRAP

Vomit + charcoal-in-unprotected + delay-antidote + 'sleep it off' + no sample/psych/MLC = aspiration + death + repeat! ABCs + glucose + sample + centre + antidote + observe + lock + counsel.

★ NORCET HIT

HIT: Kerosene + button-battery + iron + camphor + rat-paste + oleander + dhatura + unknown = sample + wrapper + X-ray + ECG + ABG + senior!

★ PNC PEARL: Sample saves more than stomach wash.

► Kerosene + cough + drowsy. Lavage?

No — O2 + observe + X-ray + ICU + sample.

Sudden choke + stridor + drool + play-history = FB until proven! Back-blows + thrusts + Magill + bronchoscopy + NO blind finger + nose (sneeze/parent-kiss) + ear (syringe/instrument + ENT) + button-battery = emergency!

**Choke + stridor
= FB hunt**

**Back + thrust +
Magill + scope**

**Battery =
emergency!**

◆ SITE — ACT

Site	Act
Airway	Back-blows + thrusts + Magill + scope + O2
Nose	Sneeze + parent-kiss + forceps + ENT
Ear	Syringe/instrument + ENT + drops + hearing
Battery	Emergency + X-ray + remove + mucosa watch

⚠ FATAL TRAP

Blind finger + 'cough it out' + delayed scope + battery-watch = push-deeper + burn + arrest! Minimal + O2 + scope + ENT + OT + X-ray + post + prevention + small-off-floor.

★ NORCET HIT

HIT: Peanut + seed + coin + marble + battery + bead + eraser + button + toy-part + age-proofing + rails + gates + teach + 108!

★ PNC PEARL: See it or scope it — never poke blind.

► Button-battery + drool + pain. Act?

Emergency + X-ray + remove + mucosa + admit.

HEMORRHAGE + SHOCK (CHILD)

Tachy + delayed-capillary + cool + thirsty + less-urine + BP-LATE = SHOCK! 20 ml/kg bolus + reassess + blood + cause (bleed/sepsis/DKA/burn/anaphylaxis) + O2 + glucose + lines + ICU — BP waits, pulse warns!

Pulse warns, BP waits!	20/kg + reassess + blood	Cause-hunt together!
---------------------------	-----------------------------	-------------------------

Σ TYPE — CLUE — ACT

Type	Clue	Act
Bleed	Wound + pallor + tachy	Press + TXA + blood + OT
Septic	Fever + flash/delayed + mottled	Cultures + antibiotics + fluids
Anaphylaxis	Sting/drug + swell + wheeze	IM adrenaline + O2 + fluids
Cardiogenic	Gallop + liver + wet	Sit + O2 + diuretics + team

⚠ FATAL TRAP

Adult-BP + 'stable' + slow fluids + missed cause + cold + no reassess = arrest! Weight + Broselow + bolus + reassess + cause + blood + ICU + handover + feedback.

★ NORCET HIT

HIT: IO when IV fails (90 s rule)! Glucose + calcium + temp + pain + parent + transport + referral + money + call!

★ PNC PEARL: Bolus, look, blood — repeat till pink.

► Bleed + tachy + delayed + cool + alert. Act trio?

Press + 20/kg + reassess + blood + cause.

Cool + cover + fluids (Parkland + surface!) + pain + tetanus + infection + rehab + scar + psych!
Drowning: rescue + ABCs + warm + O2 + observe (secondary!) + ICU — fence + swim + supervise + CPR + 108 prevent both!

Cool + cover +
fluids + pain

Rescue + ABCs +
warm + observe

Fence + swim +
supervise!

★ EVENT — ACT

Event	Act
Burns	Cool + cover + Parkland + pain + tetanus + rehab
Electrical/chemical	Power-off + irrigate + cardiac + eye + admit
Drowning	Rescue + ABCs + warm + O2 + observe + ICU
Prevent	Fence + swim + locks + helmets + CPR + 108

⚠ FATAL TRAP

Ice + paste + peel + 'small burn' + no fluids/tetanus + leave-drowning-'fine' = deep + sepsis + secondary-drown + death! Lund-Browder + Parkland + pain + infection + scar + psych + review.

★ NORCET HIT

HIT: Child surface BIG + fluids + hypothermia + abuse (stocking/glove/cigarette + story!) + MLC + shelter + follow-up + graft + garment!

★ PNC PEARL: Cool it, cover it, count fluids.

► Rescued + cough + alert + cold. Act?

Warm + O2 + observe + X-ray + ICU + watch.

PEWS + ABCDE + AVPU + glucose + exposure + senior-early! Airway (position + suction + adjuncts) + O2 (prongs/mask/HFNC/CPAP) + monitor + lines + drugs + transport + handover — deteriorate = escalate, never wait!

**PEWS + ABCDE
+ AVPU**

**Position + suction
+ O2 ladder**

**Escalate early
+ handover!**

▲ STEP — DO

Step	Do
Recognize	PEWS + ABCDE + AVPU + glucose + exposure
Airway	Position + suction + OPA/NPA + O2 + monitor
Breathe/circulate	O2 ladder + bolus + cause + lines + drugs
Move	Senior + HDU/ICU + transport + handover

⚠ FATAL TRAP

'Stable' + no PEWS + O2-without-monitor + delay-senior + bad handover = crash + arrest! Track + trigger + team + bundle + kit + clock + SBAR + feedback + audit.

★ NORCET HIT

HIT: Recovery + high-flow + NIV + intubation-drugs + checklists + simulations + mock + debrief + family + follow-up!

★ PNC PEARL: Track, trigger, team — deterioration's antidote.

► PEWS rising + grunt + tachy + drowsy. Act?

Escalate + ABCs + senior + HDU + handover.

C-A-B + 100–120 + depth (4/5 cm) + 15:2 (two) / 30:2 (one) + shockable (VF/VT) + epi + Hs/Ts + monitors + team + family + debrief! Asystole/PEA = CPR + epi + cause — shock only VF/pulseless VT!

**C-A-B + 100–120
+ depth**

**15:2 / 30:2
+ shock VF/VT**

**Epi + Hs/Ts +
team + debrief!**

◆ STEP — DO

Step	Do
Compress	100–120 + depth + recoil + minimal breaks
Airway/breathe	Open + 15:2/30:2 + O2 + monitor
Shock/drugs	VF/VT + epi + Hs/Ts + lines + team
After	ROSC + TTM + glucose + debrief + follow

⚠ FATAL TRAP

Adult-depth + slow + breaks + shock-asystole + 'stop early' + no debrief = ribs + brain-loss + repeat!
Broselow + board + feedback + family + mock + audit + registry + support.

★ NORCET HIT

HIT: Choking + drowning + sepsis + DKA + status + trauma + anaphylaxis + asthma + poison + burn + arrhythmia = commonest causes + prevent + plan!

★ PNC PEARL: Push hard, fast, together.

► Pulseless + VF + O2 on. Steps?

Clear + O2-off + shock + CPR + epi + Hs/Ts.

Weight + Broselow + dilution + double-check + read-back + pump + monitor + document + handover! Epi + amio + glucose + bicarb-selective + post: TTM + MAP + glucose + seizure + VTE + rehab + family + follow-up!

**Broselow +
dilution + check**

**Epi + amio +
glucose + lines**

**TTM + rehab +
family + date!**

Σ DRUG – USE / WATCH

Drug	Use / watch
Adrenaline	Arrest/anaphylaxis + dose + rhythm + ROSC
Amiodarone	VF/VT + thyroid/lung/QT + levels
Glucose/bicarb	Low + selective + ABG + cause + review
Post	TTM + MAP + seizure + VTE + rehab + date

⚠ FATAL TRAP

Verbal-milligrams + adult-vial + no double-check + pump-free + no monitor = 10× + arrest + suit! Weight + dilution + slow + read-back + antidote + report + learn + audit.

★ NORCET HIT

HIT: Crash-cart + airway + O2 + suction + defib + lines + Broselow + checklists + mock + debrief + family + registry + support!

★ PNC PEARL: Weigh, dilute, read back.

► ROSC + comatose + shivering + hyperthermic. Act?

TTM + MAP + glucose + seizure-watch + family.
