

Batch 1 (SecA): Parts of speech + articles + determiners + pronouns

CONCEPT	FORMULA / RULE	TRAP
8 POS map	Noun/pronoun/adjective = person/place/quality; verb/adverb/prep/conj/interjection = action/how/link.	Action is not always a verb; test function.
Same word shifts	Round/light/book/run change POS by slot; article or adjective before signals noun/adj; -s + tense signals verb.	First meaning assumed; test the slot.
a/an	Sound rule: a university (yu), an hour (silent h).	Letter-vowel rule fails; listen.
the vs zero	the = specific/unique (the sun); zero = general (honesty).	The-overuse; zero-article missed.
Demonstratives	this/these near, that/those far + number match.	That/those swapped.
some/any	Some = affirmative/plural; any = negative/singular; some in offers/requests.	Polarity ignored.
much/many	Much = uncountable (water), many = countable (books).	Much-books error.
few/little shades	Few = almost none, a few = some, the few = all of them; little-series same for mass.	Few vs a-few shade missed.
Plurals regular	-s/-es/-ies/-ves; knife gives knives; baby gives babies.	Informations/childs; -s always assumed.
Plurals irregular	Memorize: man/men, child/children, ox/oxen, tooth/teeth; sheep/data same.	Datas; criterion gives criteria, passer-by gives passers-by.
Possessive + case	Girls hostel (plural s); She/her, who/whom by verb/prep.	Girls-s; Ram and me went.
Pronoun agreement	Who (person) / which (thing); everyone/each = singular verb; no double degrees (better, not more better).	Which for persons; more-better; vague they.

60-SECOND SPEED ROUND (cover answers, recall aloud)

Q: Plural: tooth, sheep, information?	A: Teeth, sheep, information
Q: The boy ____ I met (who/whom)?	A: Whom
Q: Correct: more taller / tallest?	A: Taller; tallest

Batch 2 (SecBC): Verbs + modals + auxiliaries + present tenses

CONCEPT	FORMULA / RULE	TRAP
Fewer/less	Fewer = count (books), less = mass (water).	Less-books.
Elder/older + order	Elder = kin only (elder brother); older = all + than; adjective order: opinion-size-age-origin.	Elder-than; order scrambled.
Main vs helping	Main carries meaning (runs); helpers carry tense/voice (has been running: run + has/been).	Helper mistaken for main.
Finite/non-finite	Finite has tense+subject (falls); gerund/infinitive/participle do not.	-ing always read as continuous.
Gerund/infinitive	Enjoy + swimming; decide + to go (verb lists rule).	To-enjoy; decide-doing.
Transitive check	Needs what/whom object; laughed needs at, has no object.	Preposition-blind transitivity.
Can/could/may/might	Base verb after; could = polite/past; may/might + have for past guess.	To-modal; could always past.
Must/should/have-to	Duty/advice + base; has to agrees (he has to go).	Musted; have-to mismatch.
Do/be/have	Do/does/did for Q/neg/emphasis; be + -ing; have + V3.	Does-go; is-went.
Present simple	Habits/truths/schedules; s/es with he/she; do/does in Q.	s/es dropped; adverb clues ignored.
Present continuous	Now/temporary/plan (is raining); stative never -ing (know, not am knowing).	I-am-knowing; now-signal missed.
Present perfect	Just-done/experience/result; have/has + V3; since/for/yet/already; never with ago.	Ago with perfect; did-just swap.

60-SECOND SPEED ROUND (cover answers, recall aloud)

Q: Enjoy ____ (to swim/swimming)?	A: Swimming
Q: Look! It ____ (rain). I ____ (know) him.	A: Is raining; know
Q: I ____ here since 2020.	A: Have been

Batch 3 (SecC): Past + future + sequence + SVA core

CONCEPT	FORMULA / RULE	TRAP
Present perfect cont	Have/has been + -ing for still-on duration (have been working since 2019).	Since with simple past.
Past simple	Yesterday/ago/last + V2/did (went; did not see).	Have-went; stamp ignored.
Past continuous	Was/were + -ing background interrupted (was cooking when called).	Was-go; while-signal missed.
Past perfect	Had + V3 for before-past (had left before I came).	Had-went; order flattened.
Past perfect cont	Had been + -ing + since/for duration (had been waiting).	Had-waiting; been dropped.
Future simple	Will + base for promise/decision/offer (will help).	Will-can; going-mix.
Future continuous	Will be + -ing for this-time-tomorrow ongoing.	Be-sleep; will-be dropped.
Future perfect	Will have + V3 by deadline (will have finished by 2030).	By-time ignored.
Since/for	Since = point (Monday/2019), for = period (3 hours).	Since-3-years; for-Monday.
Already/yet/just	Already/just affirmative done; yet negative/pending; by-time takes perfect.	Yet-affirmative; already-not.
Sequence/backshift	Said + had gone; universal truth never shifts (sun rises).	Said-goes; truth shifted.
SVA core	True subject + number match (the list is long).	Nearest-noun trap; sounds-right.

60-SECOND SPEED ROUND (cover answers, recall aloud)

Q: While I ____ (cook), he called.

A: Was cooking

Q: Before I came, he ____ (leave)?

A: Had left

Q: ____ 2019? ____ five days?

A: Since; for

Batch 4 (SecCD): SVA detail + prepositions + conjunctions

CONCEPT	FORMULA / RULE	TRAP
True subject	Ignore intervening phrase: the box, with toys, is here.	Nearest-noun; with = and.
Each/every	Always singular verb + singular pronoun (each boy has his).	Each-are; each-their.
Either/neither	Singular (neither is); nor follows proximity (neither Ram nor I am).	Neither-are; proximity missed.
Collective/indefinite	Acting-one = is (team is winning); everyone/anybody = singular (has).	Everyone-are; unity missed.
There is/are	Verb matches noun AFTER: there are two pens.	There-is-plural; there treated as subject.
Number/one-of	A number are (plural); the number is (singular); one of those who are (who = those).	A/the swapped; one-of verb singular.
In/on/at time	At = point (5, noon, night); on = day (Monday); in = period (June/2024/morning).	On-2024; in-Monday.
In/on/at place	At = point (home, gate); on = surface (table); in = enclosed (Delhi).	At-Delhi; in-table.
Since/for/by/with	By = agent/method (by Ram); with = tool (with pen).	By-tool; with-agent.
Between/among	Between = two, among = many; beside = near, besides = except.	Between-many; beside/besides swapped.
Into/fixed	Into = motion (walk into room); in = state; memorize: fond of, good at, afraid of.	Into-state; phrase guessed.
FANBOYS	Joins equals + comma (tired, so slept); purpose and contrast checked.	Comma splice; and-for-everything.
Subordinating pairs	Dependence markers; either-or/neither-nor/not only-but also/unless handled as pairs.	Pair broken; unless misread.

60-SECOND SPEED ROUND (cover answers, recall aloud)

Q: Each of them ____ (has/have)?	A: Has
Q: One of those who ____ (is/are)?	A: Are
Q: Walk ____ room (motion)?	A: Into

Batch 5 (SecDE): Active-passive voice + reported speech

CONCEPT	FORMULA / RULE	TRAP
Spot voice	Identify doer vs receiver first; passive = be + V3 + by-agent optional.	Voice unidentified; agent forced.
Present/past passive	Is/am/are/was/were + V3 (is written; was sent).	Tense shifted in conversion.
Continuous/perfect	Is being + V3; has been + V3 (is being cleaned; has been done).	Being/been dropped or swapped.
Modal passive	Modal + be + V3 (must be obeyed; should be filed).	Be skipped after modal.
No-agent passive	Drop by-agent when unknown/unneeded; keep when informative.	Agent always kept or always cut.
Say/tell + backshift	Said + past shift; tell needs object (told me).	Say-me; shift skipped.
Reported questions	Wh/if-whether + statement order (asked where I lived).	Question order kept; do retained.
Reported commands	Tell/order + to-infinitive; no tense chain (told him to wait).	Tense shifted in commands.
Pronoun shift	I becomes he/she; my becomes his/her by speaker.	Pronouns frozen.
Time/place shift	Now becomes then; today becomes that day; here becomes there.	Time words frozen.
Immediacy exception	Just-said + still-true keeps present (am leaving).	Shift-all reflex.

60-SECOND SPEED ROUND (cover answers, recall aloud)

Q: He said, I am leaving (just now)?	A: Am leaving (immediate)
Q: She ___ to go (told/said) me?	A: Told
Q: Convert: She writes letters (passive)?	A: Letters are written

Batch 6 (SecEF): Error spotting + sentence improvement + cloze

CONCEPT	FORMULA / RULE	TRAP
SVA-first scan	Underline verb, find true subject, match (the list of items is).	First-noun trap.
Tense + article scan	Time markers fix tense; a/an/the/zero by sound + specificity.	Tense-mix; article-fine assumed.
Pronoun + prep scan	Antecedent clarity + case; set phrases (fond of, by pen).	Vague they; phrase guessed.
Parallelism scan	Lists/pairs/comparisons same form (reading and writing).	Reading-and-to-write mix.
Word-choice + EXCEPT	Affect/effect, principle/principal; EXCEPT/NOT read twice and marked.	Sound-alike; EXCEPT missed.
Idiomatic usage	Native collocation over literal translation.	Literal translation picked.
Concision + no-change	Brief beats wordy; correct-as-is takes courage.	Wordy pick; change-something bias.
Single blanks	Grammar blanks via tense/SVA/article; vocab blanks via context/tone.	First-option fit.
Double blanks	Fill as pairs; eliminate; although-type cues flip tone.	One-blank solved alone.
Passage-first cloze	Skim whole for theme, then fill grammar blanks.	Fill-first; theme missed.
Coherence check	Re-read filled passage; it must flow and link.	No re-read; flow broken.

60-SECOND SPEED ROUND (cover answers, recall aloud)

Q: Yesterday + has gone + a honest. Fix?	A: Went; an honest
Q: Like + to swim. Fix?	A: Like swimming (balance)
Q: Blank + first-option instinct?	A: Grammar + context + eliminate

Batch 7 (SecFG): Para jumbles + vocabulary + idioms + spelling

CONCEPT	FORMULA / RULE	TRAP
Opener + links	First line sets tone/thesis; pronoun/connector needs antecedent (they = students).	Middle picked first; link dropped.
Chronology + closer	Dates/sequence order; closer echoes opener.	Any-order; opener used as closer.
Synonyms in context	Abandoned (place) = deserted; tone-matched; odd-tone options struck.	Dictionary-same assumed; context ignored.
Tone words	Stubborn (neg) vs firm (pos); high-frequency list revised + tested.	Meaning-only cram; tone missed.
Antonyms + prefixes	True opposite in context; mal- bad, bene- good.	Not-X guess; prefix unused.
Degree + suffixes	Hot/cold gradable vs dead/alive absolute; -er person, -ary place, -tion action.	Gradable-absolute mixed.
Roots	Dict = say, port = carry; surrounding words decide final sense.	Root-only meaning.
Idioms + tone	Tone + collocation + formal/informal fit over literal sense.	Literal reading.
Phrasal verbs	Particle changes all: look after/up/into = care/search/investigate; separable noted.	Particle swapped freely.
Spelling rules	Double/single, ie/ei, -ence/-ance: accommodate, believe, receive, existence, maintenance.	Spelling-fine assumed.
Confusing pairs	Affect verb/effect noun; accept/except; advice/advise; stationary/stationery.	Same-sound interchange.

60-SECOND SPEED ROUND (cover answers, recall aloud)

Q: Spell: accomodate, recieve, existance?	A: Accommodate, receive, existence
Q: ____ the changes (affect/effect)?	A: Affect
Q: Malfunction + benevolent split?	A: Mal-bad; bene-good

Batch 8 (SecH): Reading comprehension engine

CONCEPT	FORMULA / RULE	TRAP
Passage-only rule	Answer lives in the passage; no outside knowledge, no real-world facts.	Real-world answer picked.
Main idea	Whole-passage theme, usually opener + closer echo.	Detail mistaken for theme.
Direct detail	Scan for keywords; match exact lines.	Memory answer without locating.
Inference	Must-follow from lines, never stated outright.	Stated option picked as inference.
Tone + purpose	Word-charge decides tone; inform/persuade/describe decides purpose.	Neutral-tone default.
Vocab + reference	Surrounding words define the word; they/it traced to antecedent.	Dictionary meaning; antecedent unlinked.
Fact/opinion/title	Fact verifiable, opinion judged; title covers whole, not a part.	Part-title; opinion-as-fact.

60-SECOND SPEED ROUND (cover answers, recall aloud)

Q: First move on any RC set?	A: Skim Qs, read passage, locate lines
Q: Inference vs stated?	A: Inference must follow, never quoted
Q: They/it in line 12?	A: Trace to nearest plural antecedent
Q: Time plan per passage?	A: Read once, answer from lines, never re-read all
Q: Tone unknown?	A: Collect charged words, then judge
