

★ LYSOSOME + CHLOROPLAST ★

GS | Ch05 Bio Systems | Topic 1 of 11

► Meaning in one line

Suicide bags , kitchen.

► Key points

Point	Example
Lysosome: suicide bags + digest + vacuole stores.	waste removal.
Chloroplast: chlorophyll + photosynthesis + plants only.	green leaves.

★ IMPORTANT FOR EXAM

Mitosis + meiosis

⚠ TRAP - read twice

Green-only + 'cell asked' + digest-miss + pigment-miss

✓ **Try yourself:** Digest + pigment + store + bag + sort? **Answer:** Lysosome + chloro.

★ MITOSIS + MEIOSIS ★

GS | Ch05 Bio Systems | Topic 2 of 11

► Meaning in one line

Equal divide vs halve.

► Key points

Point	Example
Mitosis: 1 into 2 equal + growth/repair.	skin healing.
Meiosis: halve + gametes + variation.	sperm/ovum.

★ IMPORTANT FOR EXAM

Vs-table + digestive

⚠ TRAP - read twice

Divide-only + 'division asked' + equal-miss + halve-miss

✓ **Try yourself:** Equal + halve + growth + gamete + sort? **Answer:** Mitosis + meiosis.

★ MITOSIS VS + DIGESTIVE SYSTEM ★

GS | Ch05 Bio Systems | Topic 3 of 11

► Meaning in one line

Compare , mouth to anus.

► Key points

Point	Example
Vs: mitosis 2 equal vs meiosis 4 half + purpose.	-
Gut: mouth/foodpipe/stomach/intestine + liver/pancreas.	villi absorb.

★ IMPORTANT FOR EXAM

Respiratory + circulatory

⚠ TRAP - read twice

Order-only + 'gut asked' + compare-miss + gland-miss

✓ **Try yourself:** Compare + order + gland + gut? **Answer:** Vs + digestive.

★ RESPIRATORY + CIRCULATORY ★

GS | Ch05 Bio Systems | Topic 4 of 11

► Meaning in one line

Breathe , pump.

► Key points

Point	Example
Lungs: alveoli exchange O ₂ /CO ₂ + diaphragm.	asthma narrows.
Heart: double circulation + arteries/veins + RBC carry.	pulse check.

★ IMPORTANT FOR EXAM

Nervous + endocrine

⚠ TRAP - read twice

Organ-only + 'system asked' + exchange-miss + circuit-miss

✓ **Try yourself:** Exchange + circuit + pump + breathe + link? **Answer:** Lungs + heart.

★ NERVOUS + ENDOCRINE ★

GS | Ch05 Bio Systems | Topic 5 of 11

► Meaning in one line

Fast signal vs slow hormone.

► Key points

Point	Example
Nervous: neuron + brain/spinal + reflex fast.	knee jerk.
Endocrine: pituitary/thyroid/insulin + slow.	diabetes insulin low.

★ IMPORTANT FOR EXAM

Excretory + largest

⚠ TRAP - read twice

Gland-only + 'control asked' + speed-miss + gland-miss

✓ **Try yourself:** Fast + slow + gland + signal + sort? **Answer:** Nervous + endocrine.

★ EXCRETORY + LARGEST TRAPS ★

GS | Ch05 Bio Systems | Topic 6 of 11

► Meaning in one line

Filter , skin/liver/bone.

► Key points

Point	Example
Kidney: nephron filters + urine + skin/lungs join.	-
Largest: skin organ + liver gland + femur bone.	classic traps.

★ IMPORTANT FOR EXAM

Nutrients + water

⚠ TRAP - read twice

Kidney-only + 'largest asked' + unit-miss + trap-miss

✓ **Try yourself:** Filter + biggest + unit + trap? **Answer:** Kidney + largest.

★ MACRONUTRIENTS + WATER/FIBRE ★

GS | Ch05 Bio Systems | Topic 7 of 11

► Meaning in one line

Carb/protein/fat , water/fibre.

► Key points

Point	Example
Macro: carbs energy + protein growth + fat reserve.	dal protein.
Water solvent + fibre roughage.	salads + fluids.

★ IMPORTANT FOR EXAM

Vitamins A/B

⚠ TRAP - read twice

Food-only + 'nutrient asked' + role-miss + rough-miss

✓ **Try yourself:** Fuel + rough + role + water + sort? **Answer:** Macro + fibre.

★ VITAMIN A + B COMPLEX ★

GS | Ch05 Bio Systems | Topic 8 of 11

► Meaning in one line

Night vision , complex set.

► Key points

Point	Example
A: night vision + retinol + xerophthalmia.	carrots + mango.
B: B1 beriberi + B12 anaemia + whole set.	whole grains.

★ IMPORTANT FOR EXAM

C + D

⚠ TRAP - read twice

Vitamin-only + 'A asked' + disease-miss + source-miss

✓ **Try yourself:** Sight + set + disease + source + link? **Answer:** A + B.

★ VITAMIN C + D ★

GS | Ch05 Bio Systems | Topic 9 of 11

► Meaning in one line

Citrus , sun.

► Key points

Point	Example
C: citrus/amlā + scurvy + heals.	lemon + guava.
D: sun + rickets + bones.	milk + morning sun.

★ IMPORTANT FOR EXAM

E/K + solubility

⚠ TRAP - read twice

Fruit-only + 'vitamin asked' + disease-miss + source-miss

✓ **Try yourself:** Citrus + sun + disease + bone + link? **Answer:** C + D.

★ VITAMIN E/K + SOLUBILITY + IRON ★

GS | Ch05 Bio Systems | Topic 10 of 11

► Meaning in one line

Clot , fat/water split , Hb.

► Key points

Point	Example
E protects + K clots.	greens + oils.
Fat: A/D/E/K + Water: B/C + Iron Hb anaemia.	jaggery + greens.

★ IMPORTANT FOR EXAM

Iodine + calcium

⚠ TRAP - read twice

Letter-only + 'vitamin asked' + split-miss + iron-miss

✓ **Try yourself:** Clot + split + Hb + group + sort? **Answer:** E/K + split + iron.

★ IODINE + CALCIUM ★

GS | Ch05 Bio Systems | Topic 11 of 11

► Meaning in one line

Goitre , bones.

► Key points

Point	Example
Iodine: thyroid + goitre + iodized salt.	-
Calcium: bones/teeth + milk/ragi.	osteoporosis low.

★ IMPORTANT FOR EXAM

Till end: disease + plants!

⚠ TRAP - read twice

Mineral-only + 'mineral asked' + disease-miss + source-miss

✓ **Try yourself:** Gland + bone + salt + milk + link? **Answer:** Iodine + calcium.
